- b) Bidders should bundle all the costs associated (salaries, allowances, maintenance, uniform and any other upkeep costs) as part of commercial.
- c) Charges towards toll taxes, out of state passing tax, parking's, etc. shall be paid by GFGNL during the contract period subject to submission of bills.
- d) The work order shall be issued only for the actual requirement and not for the requirement as mentioned above.
- e) The BoQ cost is price discovery purpose for scalability and expansion objectivity. Therefore, bidder is asked to keep each component in the priced BoQ financially realistic without overloading or under loading the individual item factoring entire contract duration. The unrealistic rates or manipulated attempt shall be considered unethical and is good reason to ask for price levelling or disqualify the bidder on account of unethical practices related to price rigging.
- f) The GFGNL will have the right to increase or decrease the contract quantity or contract duration up to 25% at the time of issue of the contract or during the contract period. However, once the contract is issued, contract quantity or contract duration can only be increased up to 25 percent. Bidders are bound to accept the revised quantity or duration
- g) Any further requirement in addition to the numbers as mentioned above shall be procured only on the basis of monthly base rental price derived from above financials.
